

SANTA CLAUS PARADE RULES & REGULATIONS

Rules & Regulations are designed for the safety and enjoyment of both participants and spectators.

Participants must conform to the following requirements:

- Floats can begin lining up at 5:30pm.
- The parade starts at 7pm.
- Float Spacing - All units must keep at least six feet of clear space on each side of the street so that parade marshals may patrol the parade without interference.
- Throwing of Candy - Due to the danger of getting injured, distribution of, or throwing articles from moving floats along the parade route is not permitted. It is recommended to have walkers alongside the float should you wish to distribute candy or other items.
- Animals: participants with animals must have walkers following behind the animals to pick up waste during the parade, to avoid others having to walk through it. Loud and thunderous sounds are not permitted in the vicinity of horses or other animals.
- Intoxicated participants will be removed from the parade route.
- Maximum height 4.15 meters/13.61 feet

SANTA ALREADY CONFIRMED ATTENDANCE. IMPOSTERS ON OTHER FLOATS WILL BE ARRESTED
